FCC MAILROOM

I would like to comment on
your plans to expand LPFM
to exclude (or at least
restrict) stations like
K-LOVE radio.

I support K-LOVE financially
and spiritually. It provides
a VITAL service to our
community as a ministry
of the Gospel bringing this
important message to people
living here. If K-LOVE were
to disappear, many areas
nearby wouldn't have ANY
Christian stations to listen
to. People who now live a
life of crime wouldn't have
an encouraging, LIFE CHANGING

radio station that can put an end to their lives of crime-changing them forever.

Staff pastors pray for and provide counseling for listeners. They prayed for my son when he had to undergo an MRI. I can't tell you what a blessing that was! These same pastors counsel suicidal listeners or other folks with life crises. Certainly, this service is VITAL to our community.

Please keep stations like KLOVE on the air.

Thanks you,
Kim Elliott

Thank you my
friends. Grant that
them in such a
manner they will
be happier because
of our friendship.

~ Amen.

RE: MB Docket #04-233

This letter concerns giving the LPFM stations over priority FM translator service. If this comes through - one of the most favorite and popular stations in Grand Island could be affected. I am referring to K Love 88.3, 91.9 and 88.1 - the contemporary Christian radio station. K Love provides very easy listening Christian music to many Christians here in Grand Island. It is not unusual to hear it broadcast

CHRISTIAN STATION

1149 PM

as back ground music in many local businesses. We have another Christian station here that she provides a lot of 1/2 programs and sermons, with music interspersed throughout the day. We enjoy this station also - but K-Hove is special because it provides music on a 24 hour basis. I for one will leave the radio on this station during the night so if I wake up I hear the soothing music of K-Hove. This station provides a major source to our city of 45,000 + the surrounding smaller communities. Please don't take K-Hove away from us! Sincerely Patricia E. Rorley

To whom it may concern:

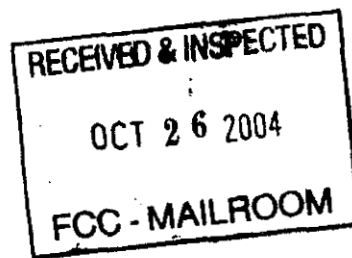

This letter is in regards to MB Docket No. 04-233. I listen to K-Love 100.7 which serves the Utica-Rome area in which I live. It is broadcast on an Fm Translator service.

As a resident of my local community, it is the only Christian Radio music station broadcast in our area. It is the only station that I enjoy listening to because of its family friendly programming. K-Love also supports whole some values and has a positive and encouraging impact on communities all across America. It is also self supported by its listeners and is commercial free with news updates every hour. If K-Love is displaced it will have a very negative

impact on my local community as well as others. I believe that K-Love is in the best interests of the public. Please don't replace ~~the~~ Fm translator service which broadcasts K-Love with a Low Power Fm signal. Hundreds of thousands of people who listen to K-Love will be affected ~~by~~ this proposal. If K-Love is taken off the air, I will no longer be listening to any radio station.

Oct 21, 2004

Hello,

I am writing in regards to the proposal to allow new LPFM stations to take priority over current FM translator service. If this were to take place, K-LOVE, a Christian radio station, would be forced off the air. I know you may think "what's one station?", but hundreds of thousands of people listen to K-Love on these FM translators. For many people, this is the only Christian radio station they have access to.

My entire family enjoys listening to K-LOVE because they offer a wide variety of music while also providing Christian teaching. If this station is forced off the air, this will be lost to many other people. There are countless stories of people searching for some truth they can hold on to in this day and age. While searching the stations, have come up on K-LOVE and been uplifted by either the music and/or teaching.

There are plenty of stations that offer pop music, shock jocks or talk radio, but very

few that offer an uplifting spiritual alternative.
Please keep K-LOVE on the air.

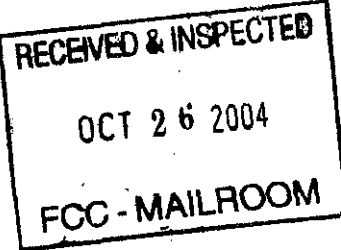

Thank you,

Gaylene Callahan

Subject: MB Docket No. 04-233

A year ago I searched the radio stations in my area for family-friendly programming. My search lead me to K-LOVE Radio 89.9 FM.

K-LOVE serves me in the Central Kentucky community by providing a commercial-free national radio service, which is listener supported.

If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, there would be few, if no choices, of positive and encouraging, non-commercial radio stations. Further, the

announcements about regional events would cease.

I believe the service provided by K-LOVE is in the public interest because this station is the only full-time, contemporary Christian, commercial-free radio station in this area. It's very important to me to have a radio station like this that my entire family benefits from listening to.

Thanks for your consideration.

To Whom It May Concern:

Please know that I am a faithful listener to KLOVE 89.3 here in Bismarck. It would be terrible if I couldn't get my KLOVE radio station if Low Power FM station took over and KLOVE was forced off the air in my area.

KLOVE is very up lifting and it has the best contemporary Christian music. It offers a positive message for every age and I don't have to worry about what is said around my 3 year old daughter.

The service provided by KLOVE is definitely in the public interest since it offers a Christian alternative to listen to compared to the rock and roll or pop music stations. Family-friendly radio through KLOVE is a must for the Bismarck area, we need the positive and wholesome values to be shared to those who may be hurting or alone.

Please do not allow the KLOVE signal to be replaced!

I listen to K-LOVE everyday I don't know what I would do without it. K-Love serves my community by playing Christian music and it is always suitable for children. I appreciate them so much to the point that I am contributing financially to them monthly. If K-LOVE were displaced by LPFM broadcasting it would affect the community adversely it is so uplifting by preaching the Good new of Jesus Christ or Savior. K-LOVE serves the public in so many ways one being the positive music, prayer, information about current events, Christian activities in my area, and contests. Please do not replace K-LOVE with LPFM broadcasting you would be doing an injustice to my family, and me we rely on K-LOVE daily to get through the day.

Re: MB Pocket # 04-233

I have been made aware of the new LPFM stations that may replace K-LOVE. This is very disappointing as K-LOVE has offered our family immeasurable support, information as to public issues and a safe place for my children to listen to music and commentary. K-LOVE knows families listen, so they are very appropriate in their music and discussions on the air.

If not for any other reason than K-LOVE being a safe place for my kids to tune in to, I would beg you not to discontinue their services. It has been a wonderful tool for me and my children to use to encourage other families to tune in. They are an excellent moral example of good and right. There is just not enough examples of this available to people.

Thank you, Debbie Goetting

IN REFERENCE TO "MB DOCKET NO. 04-233"

I RECEIVED A LETTER FROM A RADIO STATION THAT I LISTEN TO (K-LOVE). THE LETTER EXPLAINED THAT THE F.C.C. IS PROPOSING TO EXPAND THIS SERVICE THAT WOULD ALLOW THESE NEW (LP FM) STATIONS TO TAKE PRIORITY OVER CURRENT FM TRANSLATOR SERVICE. THESE TRANSLATORS COULD BE FORCED OFF THE AIR IF THE PROPOSED RULE CHANGES ARE ENACTED. MANY PEOPLE INCLUDING MYSELF WOULD BE DISAPPOINTED IF K-LOVE WAS FORCED OFF THE AIR. K-LOVE RADIO PROVIDES POSITIVE MUSIC THAT BENEFITS THE COMMUNITY I LIVE IN. PEOPLE INCLUDING MYSELF NEED POSITIVE CHOICES IN MUSIC THAT THEY LISTEN TO ON THE RADIO. PLEASE CONSIDER THESE CHANGES THAT WOULD IMPACT MYSELF AND OTHERS AS WELL.

Dear Commission:

I am writing in reference to MB Docket No. 04-233, regarding the possibility that new Low Power FM stations could be allowed to displace existing FM translator services.

I regularly listen to and am encouraged by K-LOVE Christian radio, which is distributed across the United States on FM translators. Many areas rely upon such retransmissions to supply them with this spiritually uplifting station. A revision of FCC priority rules could result in the loss of this valuable resource to millions of people.

In a time of great uncertainty, spiritual truths such as those promoted by K-LOVE are of great comfort to millions. The counseling they provide has helped strengthen marriages, restore relationships and save lives. Parents can relax as K-LOVE plays, knowing that nothing obscene or indecent will be broadcast. We need this station in all its markets!

Thank you for your help.

Dear FCC:

I wanted to make clear how important I feel that K-Love is to me as a part of the Great Falls community. I have listened to K-Love for approximately 7 years. A friend from church told me about K-Love. I had not listened to a Christian channel prior to this, but once I turned into K-Love that was it for me.

I have gone through some rough places in my life (and still am) these past few years. I'm not sure I could have hung on without K-Love to remind me of God's goodness and grace. They help me remember that even when I feel all alone He is there beside me.

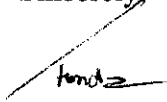

I have learned of countless Christian artists that I was pretty much unaware of before becoming a K-Love listener. This has generated CD sales, which help support my community. I am so enthusiastic of K-Love that I am a supporter although my funds are very limited. K-Love is one of those areas that I feel is important to support.

I could not tell you how many listeners there are in Great Falls, but I hope it's a lot. I know I would feel lost if K-Love were to be displaced by an LPFM broadcaster providing other programming. The people on K-Love have become very real to me. As an adoptive parent, I have enjoyed hearing all about the adventures of John and Sherri adopting little Lexie. All the people at K-Love seem caring and concerned. I am quite certain that I am far from alone in my opinions both in Great Falls and throughout the USA.

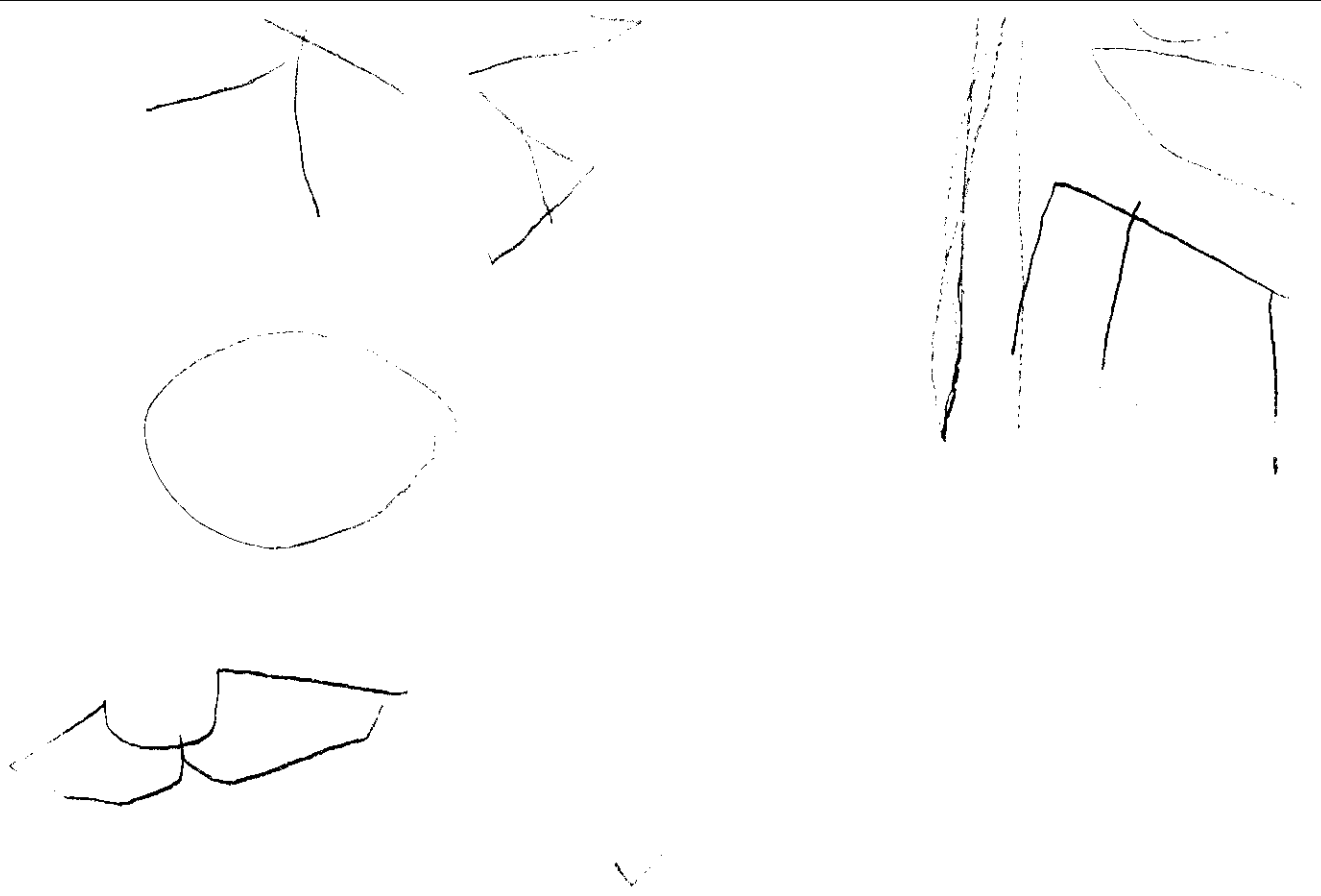

K-Love provides so many services. They provide round the clock counselors to listen when you need them. They provide excellent music with a message. They even give listeners the opportunity to be on their music board.

K-Love is famiy friendly. Children may listen without parents having to worry about what those little ears may hear. K-Love provides many ways to witness. I cannot say enough good things about this station. I beg you to keep them on the air, not just in Great Falls, but though out our nation.

Sincerely,
